## Everybody deserves to smile this Christmas

Ray White Takanini & Karaka are supporting Life Community's **Christmas Box** initiative because it brings hope to those who need it most.

Ray White's annual charity drive, A Little Ray of Giving, is returning this festive season.

As a charitable initiative, Ray White Takanini & Karaka have partnered with Life Community, supporting their Christmas Box drive again this year.

Christmas Box aims to alleviate some of the pressure felt by families during the holiday season by providing food parcels. The food parcel caters to a family of 4-6, helping supplement breakfast, lunch and dinner meals over a week. More than anything else, it brings hope, reminding people that there is a supportive community nearby.

Our team will be donating our time by packing the food boxes and help deliver them to South Auckland families in need. It's safe to say that a humble cardboard box could bring much needed hope to the table over a stressful and demanding period.

To further support the campaign our two offices will be serving as drop off / collection points for cans and other non-perishable food products.

The donated food items will be collected by Life Community to help fill up the foodboxes on packing day. See below for more information.

### CANS / NON-PERISHABLE **FOOD DROP** COLLECTION POINTS

*Non-perishable food items can be dropped off at our office. Items such as **Pasta, Tomato Pasta Sauce, Baked Beans, Sugar, Flour, Tea, Long Life Milk, Oats, Rice and Weetbix** are always in high demand and greatly appreciated.*

Life Community aims to ensure that the most vulnerable do not go hungry this Christmas. Their Christmas Box campaign started as a grassroots local initiative in 2001, delivering Christmas gift-wrapped food boxes to neighbouring families in need. Since then they've helped feed over 181,117 families and impacted over 905,585 people in New Zealand. Christmas Box exists to bring hope to the table of families in NZ, Australia & Cook Islands.
